

Born Genius Ramanujan - Math club

About:

Born Genius Ramanujan - Mathematics club was inaugurated on 29th July 2017 with 150 students enrolled. The motto of the club is to encourage engineering students to learn mathematics in a simple way. Through this club students become passionate towards Mathematics.

Objective:

1. To motivate the students to learn and practice mathematics with interest and involvement.
2. To make engineering students to understand mathematical concepts in simple ways.
3. To provide excellent opportunities for students to break away from the monotony of a grid and structured classroom environment.
4. To instill in students a sense of practical utility of mathematics

Members:

The club is guided by Dr. D. Senthil Kumaran, Principal, SSMIET. The Club is coordinated by R. Janani, AP/ Mathematics. The student members will be coordinated by executive members, whose details are as follows:

WILL BE UPDATED SOON

Roles and Responsibilities:

- To develop teamwork and to improve problem-solving strategies among students.
- Mathematics Club strives to encourage and educate students with an interest in math.
